# SENSE & SENSIBILITY

A JANE AUSTEN ADAPTATION BY JON JORY

---

---

Set in the 1790s, it tells the story of Elinor and Marianne Dashwood, two sisters who could not be more different in their approach to the world. After the death of their father, their comfortable lives are turned upside down as they must move across the country, but find many a friend and maybe more along the way.

30<sup>th</sup> and 31<sup>st</sup> of March, 18:00, at the Forum
